It's a small world!!!

The AFS club, under the supervision of Mrs. Swartzbaugh, was quite active this year. Members volunteered their time, attention, and homes to host AFS students from surrounding areas on the weekend of February 9th. The annual pizza sale held in April was a complete success. They hoped to raise enough money to support two AFS students during the 73-74 school year.

A familiar smile!

Hilite Becomes SMOKE SIGNALS

This year the school newspaper became a part of a class project. Journalism classes were in charge of putting out a paper. Jeanne Westlund was Editor. The other students pictured worked as class editors. This year's paper was printed separately from the Jr. High paper and Parent's Post. One other change was the title. We now read Smoke Signals.

"Let the man who has to make his fortune in life, remember this maxim; attacking is the only secret. Dare, and the world always yields, or, if it beats you sometimes, dare it again and it will succumb." Thackeray.

I feel that this quotation has great meaning for the class of '73.

This group of young people started their high school careers with no fanfare or expectations of greatness, but they did dare and they never gave up in their attack.

In the final analysis they have written one of the proudest pages in the annals of Prophetstown High School history. The accountability of this class is shown by excellent scholarship awards and the outstanding collection of trophies and medals for both group and individual accomplishments in music and athletics.

May the future classes find this ability to Dare and Succeed.

"Mr. Belcher, I cut my hand!"

Homecoming 1972 began on Saturday September 31, with the classes beginning construction on their floats. On Thursday, the student body elected the queen from three candidates-Jackie Bradley, Gina Combs, and Mary Parker. Attendants from each class were selected: Toni Dumbauld, Class of '76, Cheri Holmberg, Class of '75, and Diane Rick, Class of '74. Thursday night at the bonfire, the queen was revealed--Mary Parker.

On Friday, the proceedings began with a parade through town. That evening, our football team played the Northeast Rebels.

The Junior class float won the sweeps stakes award and the seniors won first place.

The Homecoming dance was held at 8:00 p.m. on October 7th. The gym was decorated by the student council. Highlights of the dance were the crowning of the queen and the Grand March.

You Can't Take It With You.

After lots of hard work and memorization, the crew and cast finally got it together and presented the hilarious play "You Can't Take It With You". It was the story of a very weird family whose daughter was very beautiful. This daughter went out with a very rich family's son, and when the families got together there was disaster.
